## Student Agreement

- I certify that all statements made on this application and all other study abroad application materials are complete, true, and accurate to the best of my knowledge.
- I will submit to the Office of International Programs within two months of my return from overseas research, either:
  - (1) a copy of the final product produced as a result of the research described in this application, OR
  - (2) a typed progress report of five to ten double-spaced pages. (This option is only available to those students whose final product will not be completed within two months after return when it is a part of either a master's or Ph.D. thesis.) This progress report must include a brief description of the progress of the overseas research, an outline of the preliminary results, and a description of the most important insights, both personal and academic, that have been gained as a result of the experience.
- I understand that if I am awarded the Dunn Scholarship I will receive \$1,300 of the award before departure and the remaining \$200 after submitting the final product or progress report.
- I understand that if I receive the Dunn Scholarship it cannot duplicate another award received for the project.
